

Title: EUR 200 M TO BE INVESTED IN COMPLEX

Construction of Sofia Airport Centre begins in the beginning of 2007, Alan Levi, president of **Tishman International Companies**, announced in Thursday. It is a multi-purpose complex with logistic and industrial areas, offices and a hotel. It is next to the airport and investments in it will be over EUR 200 M. EUR 100 M of them will be given at the first stage and the rest of the sum will be given at the second stage of the project. Total area of the complex is 10 ha and its all-out area is 256 000 sq. m. Offices of A class are expected to be rent before the end of construction.
